Canva Basics

Wednesday, August 12; 9:30-11:00 a.m.
The Hatcher Agency Computer Classroom

Learn to use Canva to easily create great-looking promotional materials for your event, small business, or organization. Plus, explore effective branding and marketing while learning to create graphics, posters, printed documents, and even presentations.

Rock Star Tech Tips

Monday, August 17; noon-1:30 p.m.
The Hatcher Agency Computer Classroom

Be a technology rock star! This class teaches you tips, tricks, and shortcuts tech professionals take for granted.

Drop-in Tech Help

Every Tuesday, noon-4:00 p.m.
The Hatcher Agency Computer Classroom

Drop by and ask your burning technology questions, or get help with a specific problem from an expert. Feel free to bring your mobile device or laptop.

Third Friday Job Search Help

Friday, August 21 2:00-4:00 p.m.
Arvest Computer Classroom

Ready to find a new job, but not quite sure where to start? In this class, we'll briefly explore two helpful resources CALS offers (Cypress Resume and Brainfuse JobNow). Then, we'll offer personalized help with job searching and resumes.

This class will be offered on the third Friday of each month!

Crafting with Creativebug: Potted Paper Quill Flowers

Monday, August 10; 6:00-8:00 p.m.
Terry Library

Do you want to learn new creative skills? Creativebug features video classes about topics like sewing, knitting, paper crafts, and so much more! After a quick introduction on how to use the it, we'll learn how to make our own potted paper quill flowers.
